

ERP Resources: SAP Learning Hub - Student Edition

SAP Learning Hub - Student Edition provides students with free access to learning materials provided to the paid commercial customers

You can build practical, job-ready SAP skills and earn **industry-recognized certifications**

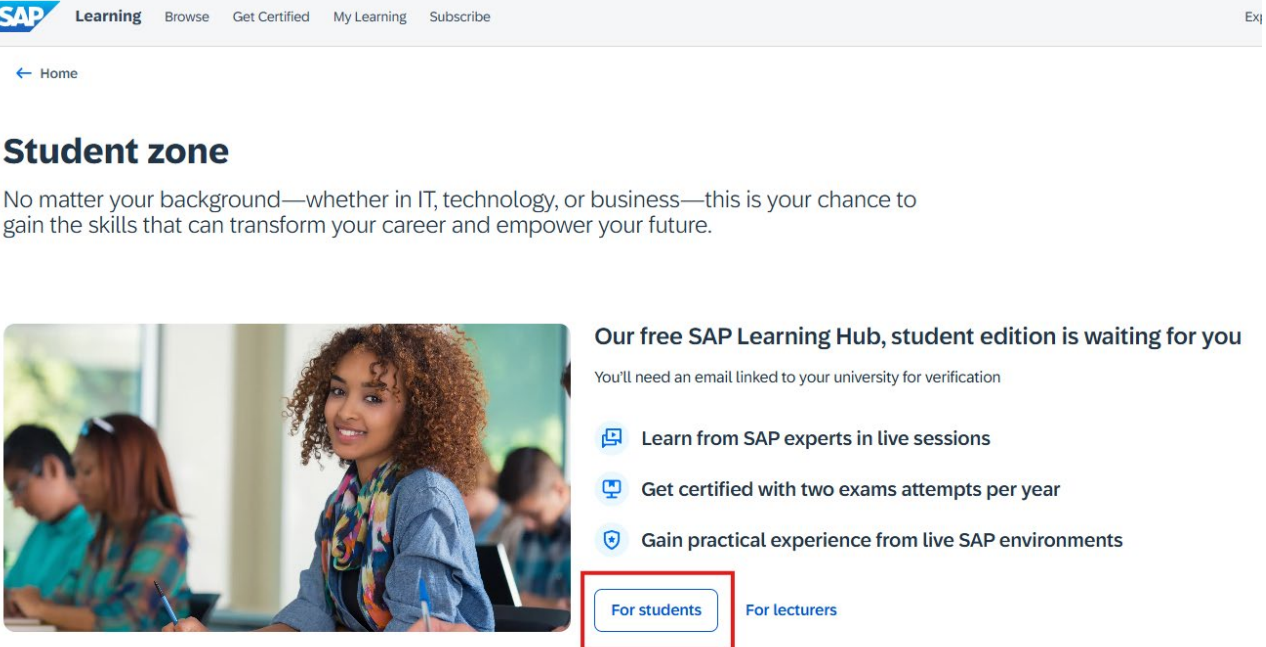

Through SAP Learning Hub, you get access to:

- **Two free certification exam attempts** annually to validate SAP expertise
- Global access to the latest SAP technology
- Access to **SAP Cloud practice systems** to build practical skills
- **Self-paced** learning paths to supplement your university education to achieve with your career goals

Create an SAP Learning Hub Account

1. Create an SAP Universal ID

- Visit <https://learning.sap.com/students> and sign up with your **@mst.edu** university email.

The banner features a navigation bar with the SAP logo and links for Learning, Browse, Get Certified, My Learning, and Subscribe. Below the navigation bar is a 'Home' link. The main heading is 'Student zone', followed by a paragraph stating that the platform offers skills for IT, technology, and business. A photograph of a smiling student is on the left. To the right, the text 'Our free SAP Learning Hub, student edition is waiting for you' is displayed, along with a note about university email verification. Three bullet points list the benefits: learning from experts, getting certified with two exam attempts per year, and gaining practical experience. At the bottom, there are two buttons: 'For students' (highlighted with a red box) and 'For lecturers'.

Student zone

No matter your background—whether in IT, technology, or business—this is your chance to gain the skills that can transform your career and empower your future.

Our free SAP Learning Hub, student edition is waiting for you

You'll need an email linked to your university for verification

- Learn from SAP experts in live sessions
- Get certified with two exams attempts per year
- Gain practical experience from live SAP environments
